

## CO-CURRICULAR

- 1 Worksheet**  
Worksheet designed to boost engagement, creativity, and independent thinking through varied question formats and student-centered.
- 2 Brain Development Program**  
Designed to develop students' mindset and cognitive skills, helping them think effectively, learn strategically, and optimize their academic potential
- 3 Project Based Learning**  
Authentic, real-world projects that develop critical thinking, problem-solving, collaboration, and reflection under guided facilitation
- 4 Reflection & Character Sessions**  
Guided reflection, mentoring, and values-based discussions help students understand emotions, build self control, and develop empathy.
- 5 Field Studies & Learning Outing**  
Contextual learning experiences beyond the classroom that strengthen observation skills, social awareness, and character through real-life exposure.
- 6 Practical Life Skills**  
Hands-on activity that nurture independence, adaptability, and readiness to face real-world challenges.
- 7 Morning Routine**  
Structured, engaging morning routines that foster focus, motivation, and positive habits, including Islamic daily practice.
- 8 Dhuha & Zuhr Practice**  
Daily spiritual routines that cultivate discipline, inner peace, and strong moral values through guided worship.
- 9 Literacy Programme**  
A continuous literacy initiative to strengthen reading, writing, communication, and critical thinking skills across subjects.
- 10 Extended Learning Hours**  
Additional time for enrichment or academic support, allowing students to deepen understanding and maximize learning potential.

## PARTNERSHIP WITH PARENTS

- Communication and Reporting**  
Parents receive regular updates on their child's learning, character, and well-being through reports
- Parent School Collaboration**  
Parents are valued as partners in the learning journey. We encourage active collaboration through parent meetings, school programs, and ongoing dialogue.

# VISION & MISSION

## VISION

To be a caring junior high that builds character and leadership, fosters academic excellence, and develops confident leaders through early international exposure.

## MISSION

Develop strong character and leadership through practical values, good habits, and supportive school culture.

Provide a solid academic foundation with the National Curriculum enhanced by international learning resources.

Foster curiosity, creativity, and critical thinking from an early age.

Build confidence and teamwork through age-appropriate leadership and social-emotional programs.

# GRADUATE PROFILE

By graduation from Praditya Adhigana Global School, our students are expected to be Holistically Developed Individuals. Graduates are not only intellectually capable, but also emotionally, socially, and morally prepared to face real-life challenges.

### Individuals with Strong Character and Values

Graduates uphold moral integrity, discipline, empathy, and responsibility in their daily lives.

### Academically Competent Learner

Graduates demonstrate strong academic foundations, critical thinking skills, and a commitment to lifelong learning.

### Socially Responsible Individuals

Graduates understand and practice their roles as respectful children in family and in society, contributing positively to their communities.

### Globally Confident

Graduates are equipped with the confidence and global awareness needed to navigate international environments and future pathways.

# FOUNDATIONAL VALUES

## CHARACTER & LEADERSHIP

Upholding integrity, faith, good manners, discipline, and the ability to lead with responsibility.

## ACADEMIC EXCELLENCE & CURIOSITY

Emphasizing strong knowledge, critical thinking, creativity, and continuous learning.

## CONFIDENCE & GLOBAL PERSPECTIVE

Fostering self-confidence, collaborative individuals who are culturally aware and ready to engage with the world.

# WHAT MAKES OUR SCHOOL DIFFERENT

## Pioneering Integrated Curriculum in Sukabumi

Our school is the first in Sukabumi to integrate the Cambridge curriculum with the national education framework, offering globally benchmarked academic standards while remaining relevant to local educational needs.

## Academic Excellence Grounded in Islamic Values

Our school is the first in Sukabumi to integrate the Cambridge curriculum with the national education framework, offering globally benchmarked academic standards while remaining relevant to local educational needs.

# VISIONARY FOUNDERS

## Laksamana TNI (Purn) Achmad Taufiqerrochman

Founder | Leadership & Character Development

A national leader with extensive experience in military operations and leadership education. He has held strategic positions including Commander of the Western Fleet Combat Group, Governor of the Naval Academy, Commander of the Western Fleet, Vice Chief of Staff of the Indonesian Navy, and Head of the Indonesian Maritime Security Agency. His leadership in high-risk international hostage rescue operations shaped a philosophy centered on discipline, resilience, integrity, and leadership by example. These principles form the foundation of character and leadership development at Praditya Adhigana.

## Oki Earliwan Sampurno, S.Mn, MBA., MSc.

Founder | Global Academic Excellence

An educator and entrepreneur driven by a lifelong passion for education. A graduate of SBM ITB, Royal Holloway University of London (MBA), and the University of Oxford (MSc), he is currently pursuing a PhD at the University of Cambridge. He founded EduLab, an education institution that has grown to 33 cities with 56 branches across Indonesia, providing learning support for students nationwide. He also established Edu Global School in three major Indonesian cities, offering formal education from elementary to senior high school levels, reflecting his commitment to building accessible, high-quality education with a strong academic & global orientation.

## Krisna Adiarini, S.T., M.B.A.

Founder | Operational Excellence & Sustainability

Krisna Adiarini is an experienced professional in operations and business strategy with over 14 years of expertise in the education and service sectors. A founder of EduLab and Edu Global School, she remains actively engaged in the academic world through ongoing learning and teaching activities in London, United Kingdom, bringing global perspectives and current educational practices into the development of Praditya Adhigana.

## Dra. Hj. Ina Dwianasari

Founder | Praditya Adhigana Global School

Dra. Hj. Ina Dwianasari is an experienced psychologist with an extensive leadership track record within the Indonesian Navy spouses' organizations. She has held various strategic positions, including branch, regional, and national leadership roles, served as a mentor for Naval Academy cadets, and been involved in the supervision of education-focused institutions. At Praditya Adhigana, she will play a key role in strengthening the educational psychology framework, focusing on mental well-being, character development, and structured psychological support to foster a safe, disciplined, and supportive learning environment.

# International Exposure

## NATIVE SPEAKER CLASSES

Students learn directly with native-speaking teachers, enhancing English proficiency, confidence, and cross-cultural communication skills.

## OVERSEAS PROGRAMS

Students gain international exposure through overseas academic and cultural programs that broaden global perspectives and real-world understanding.

## CAMBRIDGE CURRICULUM INTEGRATION

Learning is aligned with the Cambridge Curriculum, ensuring internationally benchmarked academic standards and global readiness.
