LEARNING RESOURCE

WORKSHEET

Worksheets are designed to support structured learning aligned with the National Curriculum and Cambridge standards, helping students develop conceptual understanding, critical thinking, and skills progressively.

CAMBRIDGE LEARNING RESOURCE

- Cambridge Learning Resources are internationally benchmarked materials that emphasize structured progression, higher-order thinking skills, and mastery-based learning.
- These resources support Mathematics, Science, and English to strengthen students' proficiency and prepare them for international academic pathways.

GLOBAL SCHOOL

VISION & MISSION

VISION

To become a leadership-driven international-standard boarding school that develops disciplined, resilient, and morally grounded young leaders, ready to advance Indonesia's Golden Generatio

VISION

- Deliver comprehensive learning through the National Curriculum strengthened with Cambridge resources for Math and Science.
- Build discipline, mental toughness, and responsible leadership through structured boarding life and mentorship.
- Strengthen students Islamic character and moral compass through daily practice and mentorship.
- Develop advanced thinking skills through brain development, critical thinking, and problem-solving programs.
- Prepare students for competitive university pathways, national and international, through strong academic guidance.
- Cultivate independence, resilience, teamwork, and empathy as essential leadership qualities for future success.

FOUNDATIONAL VALUES

CHARACTER & LEADERSHIP

Upholding integrity, faith, good manners, discipline, and the ability to lead with responsibility.

ACADEMIC EXCELLENCE & CURIOSITY

Emphasizing strong knowledge, critical thinking, creativity, and continuous learning.

CONFIDENCE & GLOBAL PERSPECTIVE

Fostering self-confidence, collaborative individuals who are culturally aware and ready to engage with the world.

BOARDING SCHOOL

At Praditya Adhigana Global School, a boarding school program is available for students from outside the city of Sukabumi, while students who live in Sukabumi may join the non-boarding program and return home after school hours. Boarding students live in dormitories during the school term, where they receive academic guidance, meals, and accommodation within a structured environment that supports character building and personal development.

Pioneering Integrated Curriculum in Sukabumi

Our school is the first in Sukabumi to integrate the Cambridge curriculum with the national education framework, delivering global academic standards while remaining relevant to local needs.

Academic Excellence Grounded in Islamic Values

Our school combines strong academic achievement with Islamic character development, nurturing students' faith, discipline, and integrity through daily prayers, Tahsin & Tahfidz, Islamic celebrations, Ramadhan programs, and MABIT.

WHAT MAKES OUR SCHOOL DIFFERENT

International Exposure

NATIVE SPEAKER CLASSES

Students learn directly with native-speaking teachers, enhancing English proficiency, confidence, and cross-cultural communication skills.

OVERSEAS PROGRAMS

Students gain international exposure through overseas academic and cultural programs that broaden global perspectives and real-world understanding.

CAMBRIDGE CURRICULUM INTEGRATION

Learning is aligned with the Cambridge Curriculum, ensuring internationally benchmarked academic standards and global readiness.

GRADUATE PROFILE

By graduation from Praditya Adhigana Global School, our students are expected to be Holistically Developed Individuals. Graduates are not only intellectually capable, but also emotionally, socially, and morally prepared to face real-life challenges

Individuals with Strong Character and Values

Graduates uphold moral integrity, discipline, empathy, and responsibility in their daily lives.

Academically Competent Learner

Graduates demonstrate strong academic foundations, critical thinking skills, and a commitment to lifelong learning.

Socially Responsible Individuals

Graduates understand and practice their roles as respectful children in family and in society, contributing positively to their communities.

Globally Confident

Graduates are equipped with the confidence and global awareness needed to navigate international environments and future pathways.

VISIONARY FOUNDERS

Laksamana TNI (Purn) Achmad Taufiqerrochman Founder | Leadership & Character Development

A distinguished national leader with extensive experience in military operations and leadership education. Having held strategic roles in the Indonesian Navy and national maritime security, he developed a leadership philosophy rooted in discipline, resilience, integrity, and leading by example. These values inspire the character and leadership development at Praditya Adhigana.

Oki Earlivan Sampurno, S.Mn, MBA., MSc. STRATEGIC PARTNER PRADITYA ADHIGANA GLOBAL SCHOOL

An educator and entrepreneur passionate about advancing education. A graduate of SBM ITB, Royal Holloway University of London (MBA), and the University of Oxford (MSc), he is currently pursuing a PhD at the University of Cambridge. He serves as Special Staff to the Minister of Higher Education, Science, and Technology and is the founder of Edulab and Edu Global School, expanding accessible, high-quality education across Indonesia.

Krisna Adiarini, S.T., M.B.A. STRATEGIC PARTNER PRADITYA ADHIGANA GLOBAL SCHOOL

Krisna Adiarini is an experienced professional in operations and business strategy with over 14 years of experience in the education and service sectors. A founder of Edulab and Edu Global School, she remains actively engaged in learning and teaching in London, bringing global perspectives to the development of Praditya Adhigana.

Dra. Hj. Ina Dwianasari FOUNDER PRADITYA ADHIGANA GLOBAL SCHOOL

Dra. Hj. Ina Dwianasari is an experienced psychologist with a strong leadership background in Indonesian Navy spouses' organizations. At Praditya Adhigana, she contributes to strengthening the educational psychology framework, focusing on students' mental well-being, character development, and a supportive learning environment.

Islamic Character Development Program
